A unique and important event for Knowledge Management (KM) professionals and anyone interested in the vital discipline of KM.

You'll learn about the Knowledge Management Framework, how it was developed and successfully implemented at British Petroleum, and how it is being used in the SOLUTIONS for I&M Services practice. Elements of the framework have been adapted at diverse organizations including: The U.S. Army, J.P. Morgan Chase, DeBeers, and The Tear Fund. You will hear about simple tools that can embed knowledge management in business processes.

Seating is limited.

To register for the event, e-mail: njevents@kmpro.org

We look forward to seeing you!

The event is sponsored by the dynamic New Jersey Chapter of The Knowledge and Innovation Management Professional Society (www.kmpro.org), a not-for-profit, member-driven network committed to promoting Knowledge Management, with membership available to anyone interested in pursuing KM.
